Relaxed and fun environment

Time to Play

AIM offers an **extensive choice** of versatile **one-on-one** music tuition. From **beginners to advanced**, purely for fun, after school, work or weekend. Learn to play guitar or learn to sing, plus many other instruments.

Open AIM is based in Sydney at our Foveaux St Campus. Whether you are looking to study music theory, brush up on an instrument or develop your singing voice, individual tuition with Open AIM offers a unique, inspiring and fun way to pursue your musical interest. Open AIM can also be tailored to suit your individual requirements.

Our highly experienced teachers will help you express your musical passion.

Instruments Include

Violin, bass guitar, flute, piano, piano accordion, guitar, vocals, classical voice, cello, drums and many more.

*Please enquire about other instruments not listed here.

Prices

Please note: Individual Lessons at Open AIM are booked for and paid in 5 or 10 lesson packs.

30 Minute lessons

\$210.00 for 5 lessons
\$420.00 for 10 lessons

45 Minute Lessons

\$300.00 for 5 lessons
\$600.00 for 10 lessons

60 Minute Lessons

\$400.00 for 5 lessons
\$800.00 for 10 lessons

Concerts

One of the **unique aspects** of the OPEN AIM program is the provision of regular concerts. Performing is an art that must be learned and practiced. Performing regularly also helps to solidify musical and technical development of instrumentalists and singers. OPEN AIM students have the **opportunity to perform** in free concerts.

These take place at 11.00am and 2.00pm at AIM in either the John Painter Concert Hall or 'The Space'. All OPEN AIM students are encouraged to perform. Concerts are open to the public.

What do I do if I need an accompanist?

An accompanist is provided for the 11am and 2pm concert. They are also available to rehearse between 10am and 11am. Please contact the OPEN AIM Coordinator to book your rehearsal time.

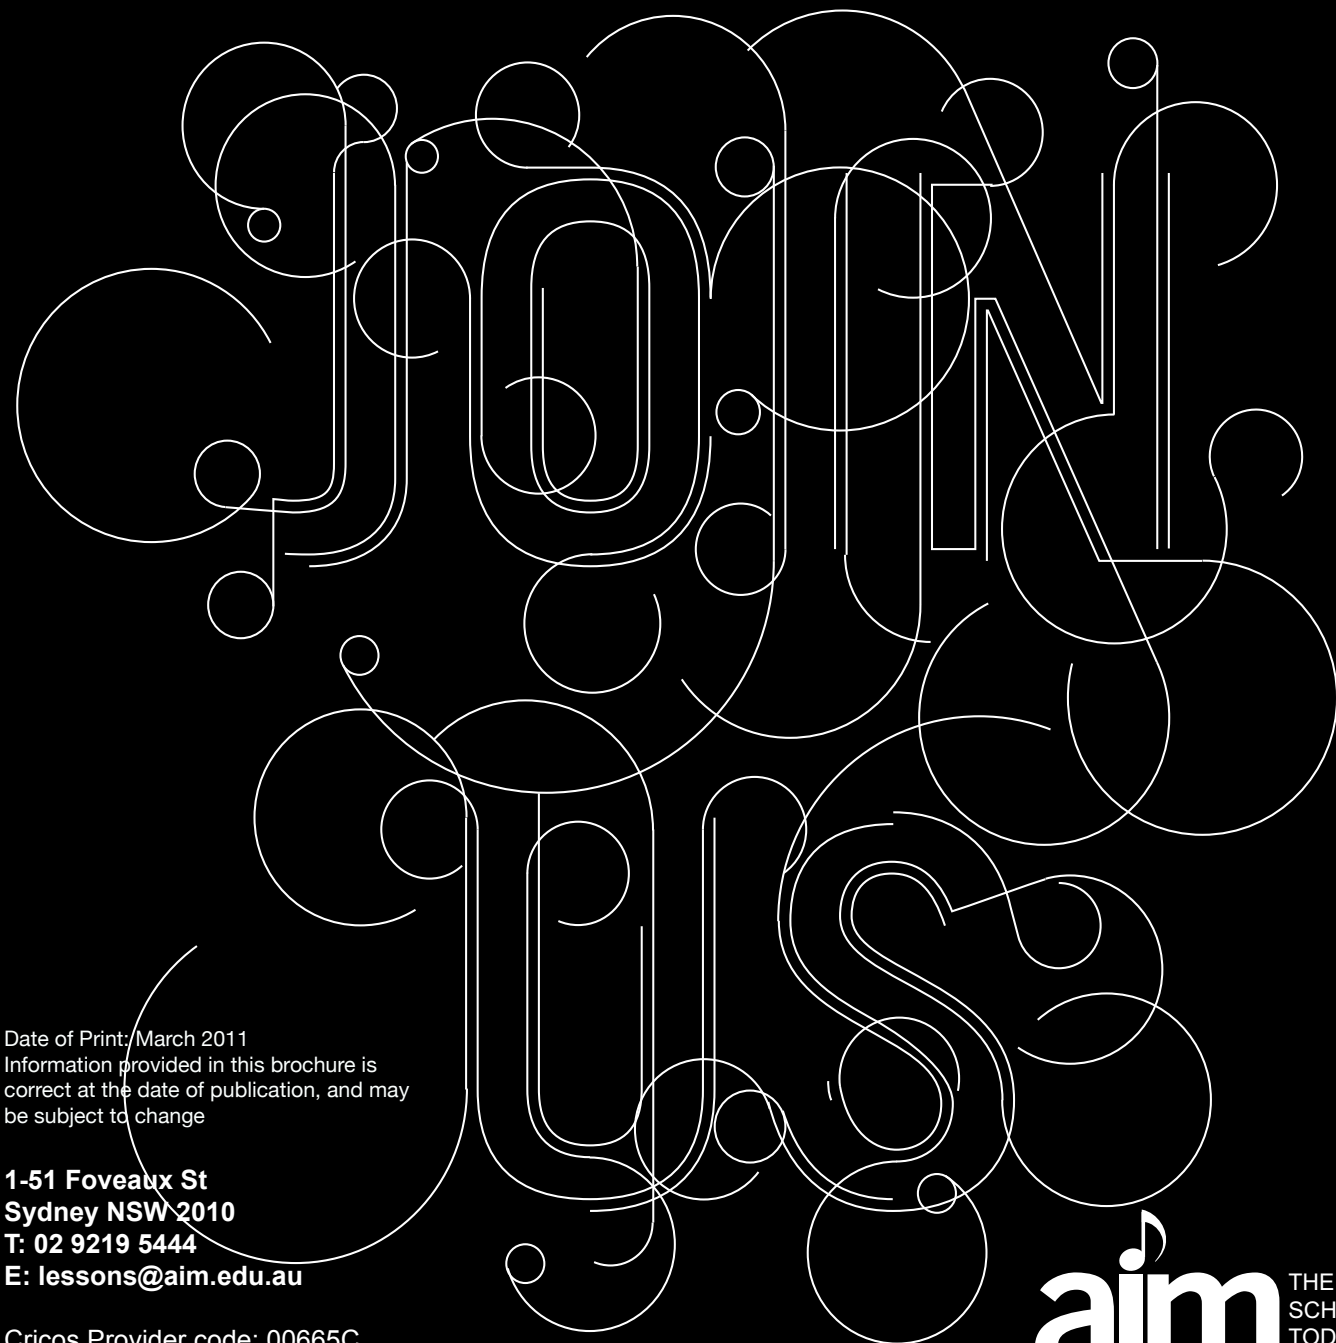

Will I receive feedback after my performance?

Yes! You can request for a Shining Stars report to be issued after your performance. This will be written by senior member of Open AIM staff.
